Grazie alla forma e alla scelta di colori delicati, il Similcotto regala una nota di calore all'ambiente. Non presenta segni di invecchiamento anche dopo diversi anni di esposizione ed è idoneo per arredo interno ed esterno.

Similcotto imitation terracotta products provide a touch of warmth to the environment thanks to their shape and selection of delicate colours. They will show no sign of ageing even after many years of exposure and are ideal for both indoor and outdoor use.

antico

Elegante e funzionale, la collezione dei vasi Anticotto è ideale per arredi interni ed esterni. La speciale resina utilizzata per la produzione dei manufatti li rende particolarmente leggeri, resistenti agli urti, all'azione dei raggi U.V. e degli agenti atmosferici.

I vasi Anticotto riprendono le forme classiche della tradizione vasara e restituiscono la bellezza del cotto antico con molti vantaggi in più.

Elegant and functional, Anticotto imitation terracotta flower pots are perfect both indoors and outdoors. The special resin used for their production make them extremely light, shockproof, weather and UV resistant. Anticotto flower pots reflect the classic shapes of tradition, providing the beauty of ancient terracotta but with lots of extra benefits.
